Re: FOIA Request Concerning the Clean Harbors Kansas LLC Site (ID:  
KSD007246846)

Dear Ms. Albano:

I am interested in obtaining selected documents listed on USEPA's Administrative Record Index Report for the Clean Harbors Kansas LLC site. Attached is a copy of the pertinent page from the Index Report (Admin Record # 1925), containing the documents I would like to obtain. Specifically, and pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request copies, whether in hard copy or electronic form, of the following:

- 1) 09/24/1990 Draft Preliminary Assessment Report (Document ID: 1774; Document Number 10);
- 2) 10/22/1990 Comments on Draft RCRA Facility Assessment Report, from Mark Matthews to Brenda Clark (Document ID: 1653; Document Number 11); and
- 3) 12/04/1990 Comments on Draft Preliminary Assessment Report, from Lyndell Harrington to Kevin Cunningham (Document ID: 12331; Document Number 12).

I would prefer to receive the information in electronic format; however, where this is not possible, I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$100.00. However, please notify me prior to your incurring any expenses in excess of that amount.

Regardless, please provide me with a statement of any estimated charges in advance of incurring any expenses.

If my request is denied in whole or part, I ask that all deletions supported by reference to specific exemptions of the Act and, regardless, that all segregable portions of otherwise exempt material be made available for inspection or copying. Lastly, I reserve the right to appeal any decision to withhold information or to deny a waiver of fees, if sought.

Ms. Emily Albano
